## HISTORY IN THE MAKING

The Corinthian Centre was established in 2002 to provide a space for individuals and businesses to host their special events, conferences, and meetings in Invercargill. Although 100% owned and operated by Invercargill Workingmen's Club, it is a separate entity that serves both club members and non-members alike. The aim is to provide an alternative venue for everyone and anyone to host their events in the city, whether it is a health and safety training, team meetings, work-dos, birthdays, weddings, or funerals. Talk to our functions team now and we will help you make it happen.

# OUR SPACE

# NORTH LOUNGE

## SPACIOUS

The largest of our three function rooms (660 sqm), the North Lounge can accommodate up to 550 people - depending on your event layout. This room comes with 2 built-in overhead projectors and screens, a TV screen, a full bar, access to the Boardroom which can be used as a breakout space, and own restroom. Dance floor and staging are available and can be positioned in any area of the room.

This room has been used for a variety of events from weddings, funerals, conventions, prizegivings, trade shows, birthdays, entertainment shows such as wrestling, fashion shows, concerts, and corporate work-dos.

The North Lounge can be combined with the South Lounge room if additional space is needed for your function.

# SOUTH LOUNGE

**SOUTH LOUNGE**  
300 sqm

## INTIMATE

The South Lounge room (300 sqm) is suitable for gatherings of up to 200 people depending on your preferred layout. This room is often chosen for evening events as there are fewer outside windows than either the North or East Rooms. A mobile bar is available for your event as well as dance flooring and staging positioned where you require. Projector and mobile screen are available on request.

This room may be opened up to combine with either the North Lounge or the East Lounge if additional space is required for your function.

Whether it is a 50th birthday celebration, social club gatherings, family reunion, quiz night, or corporate meetings and trainings, this room can be a perfect intimate space for you and your peers.

# EAST LOUNGE

**EAST LOUNGE**  
250 sqm

## SIMPLE

The East Lounge (250 sqm) is slightly smaller than our South Lounge but can also comfortably sit up to 200 people. A bright and welcoming room allowing light from the outside in through multiple windows, the East Lounge is a good choice for your daytime functions.

As with the the South Lounge room, mobile bar, staging, dance floor, projector and mobile screen are available upon request. Similar to the other Lounges, speakers are built-in and guests can request microphones free of charge.

The East Lounge may be opened up to combine with the South Lounge if your function requires additional space.

This room has hosted several functions such as trainings, meetings, seminars, weddings, prizegivings, and exhibits.

# BOARDROOM

The Boardroom is the smallest room in the Corinthian Centre. It is a perfect space for interviews, quick meetings, team catch-up, breakout space, holding area or even a dressing room if needed.

This room can accommodate up to 15 pax and has its own mobile TV for audio video presentation and a whiteboard free of charge.

# COMBINED ROOMS

All lounges are divided by a retractable divider wall and can be combined into one huge function space depending on your requirements.

The entire function hall can accommodate up to 1000 pax and can be set-up on your liking.
